

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

March 30, 2009

Ms. Cheryl K. Byles  
Assistant City Attorney  
City of Fort Worth  
1000 Throckmorton Street, 3rd Floor  
Fort Worth, Texas 76102

OR2009-04097

Dear Ms. Byles:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 342813 (PIR Nos. 2155-09 and 2277-09).

The City of Fort Worth (the "city") received two requests for information pertaining to a specified incident. You claim that the requested information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information. We have also received and considered comments from one of the requestors. *See* Gov't Code § 552.304 (providing that any person may submit comments stating why information should or should not be released).

Initially, we must address the city's obligations under section 552.301 of the Government Code. Section 552.301 prescribes procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See id.* § 552.301(a). Section 552.301(b) provides that the governmental body must ask for the attorney general's decision and claim its exceptions to disclosure not later than the tenth business day after the date of its receipt of the written request for information. *See id.* § 552.301(b). If a governmental body fails to comply with section 552.301, the requested information is presumed to be subject to required public disclosure and must be released, unless there is a compelling reason to withhold any of the information. *See id.* § 552.302; *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ).

You state that the city received the first request on February 19, 2008; therefore, the city's deadline under subsection 552.301(b) was March 5, 2009. The city requested this decision by U.S. Mail meter-marked March 6, 2009. Thus, the city did not comply with section 552.301, and the submitted information is therefore presumed to be public under section 552.302. This statutory presumption can generally be overcome when information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3 (1994), 325 at 2 (1982). Although you raise section 552.108 of the Government Code for the submitted information, this section is a discretionary exception that protects a governmental body's interests and may be waived. *See* Open Records Decision Nos. 663 at 5 (1999) (untimely request for decision resulted in waiver of discretionary exceptions), 177 (1977) (statutory predecessor to section 552.108 subject to waiver). However, the interests of a governmental body other than the one that failed to comply with section 552.301 can provide a compelling reason for non-disclosure under section 552.302. *See* Open Records Decision Nos. 586 (1991), 469 (1987). You represent that the Tarrant County District Attorney's Office (the "district attorney") asserts a law enforcement interest in the submitted information. Therefore, we will consider whether the city may withhold the submitted information on behalf of the district attorney under section 552.108. In addition, because section 552.101 can provide a compelling reason for non-disclosure, we will also consider your claims under this exception.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), (b)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state, and provide an affidavit confirming, that the district attorney objects to the release of the information at issue because it pertains to a pending criminal investigation. *See* Open Records Decision Nos. 474 (1987), 372 (1983) (where incident involving allegedly criminal conduct is still under active investigation or prosecution, section 552.108 may be invoked by any proper custodian of information relating to incident). Based on this representation and our review, we conclude that the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e.*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Thus, the city may withhold the submitted information under section 552.108(a)(1) of the Government Code.<sup>1</sup>
