Dear Mr. Kelly:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 339205.

Texas A&M University (the "university") received a request for the HUB Subcontracting Plans ("HSPs") for all contractors who submitted bids in response to the RE-BID SUP 2 Chiller 32 Replacement Project. You claim the requested HSPs are excepted from disclosure under section 552.104 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.104 of the Government Code protects from required public disclosure "information which, if released, would give advantage to competitors or bidders." Gov't Code § 552.104. The purpose of section 552.104 is to protect the purchasing interests of a governmental body in competitive bidding situations where the governmental body wishes to withhold information in order to obtain more favorable offers. *See* Open Records Decision No. 592 (1991). Section 552.104 protects information from disclosure if the governmental body demonstrates potential harm to its interests in a particular competitive

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and, therefore, does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

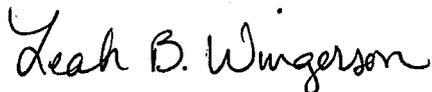

situation. *See* Open Records Decision No. 463 (1987). Generally, section 552.104 does not except bids from disclosure after bidding is completed and the contract has been awarded. *See* Open Records Decision No. 541 (1990).

You state the bidding process for the HSPs at issue is not complete and a contract has not been awarded. You assert release of the requested HSPs at this stage in the bidding process would harm the university's ability to negotiate a final agreement. Based on your representations, we conclude the university may withhold the requested HSPs under section 552.104 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
