Mr. Samuel D. Hawk
Assistant City Attorney
Criminal Law and Police Division
City of Dallas

OR2009-04655

Dear Mr. Hawk:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 340055 (DPD ORR No. 2009-0842).

The Dallas Police Department (the "department") received a request for service report number 231753V. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to a pending criminal investigation and prosecution. Based upon your representation, we conclude the release of this report would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active

cases). Thus, we agree section 552.108(a)(1) is generally applicable to the information you have marked.

We note and you acknowledge section 552.108 of the Government Code does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88. The department must release basic information, including a detailed description of the offense, even if the information does not literally appear on the front page of an offense or arrest report. See Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, the department may withhold the information you have marked under section 552.108(a)(1) of the Government Code.

Next, you have marked a portion of the remaining information under section 552.130 of the Government Code. Section 552.130 excepts from disclosure information relating to a Texas motor vehicle driver's license and information relating to a Texas motor vehicle title or registration. Gov't Code § 552.130. We note section 552.130 protects personal privacy. Thus, pursuant to section 552.023 of the Government Code, the requestor has a right of access to her Texas motor vehicle record information. See *id.* § 552.023(a) (person has special right of access, beyond right of general public, to information held by governmental body that relates to person and is protected from public disclosure by laws intended to protect person's privacy interests); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual or authorized representative asks governmental body to provide information concerning that individual). Accordingly, the Texas motor vehicle record information you have marked must be released to the requestor.

In summary, with the exception of basic information, you may withhold the information you have marked under section 552.108(a)(1) of the Government Code. The remaining information must be released.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
