Ms. Katie Lentz

Williamson County Sheriff's Office

OR2009-04748

Dear Ms. Lentz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 339549.

The Williamson County Sheriff's Office (the "sheriff") received a request for the dispatch call sheets, dispatch audio, dispatch transcripts, and cover sheets of incident reports pertaining to the death of a named individual. You state the sheriff has released basic information pertaining to the requested report. *See* Gov't Code § 552.108(c)(basic information about an arrested person, and arrest, or a crime is not excepted under section 552.108); *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). You claim that the submitted information is excepted from disclosure under sections 552.103, 552.108, 552.117, and 552.1175 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See* Gov't Code §§ 552.108(a)(1), (b)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that the submitted information relates to a pending criminal investigation. You also state the Williamson County District Attorney's Office has informed you it objects to release of the information at issue. Based upon these representations, we

conclude that the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Accordingly, we conclude that section 552.108(a)(1) of the Government Code is generally applicable to the submitted information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*, even if this information does not literally appear on the front page of an offense or arrest report. *See Houston Chronicle*, 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, which you state the sheriff has released, you may withhold the submitted information from disclosure under section 552.108(a)(1).¹ We note that you have the discretion to release all or part of the remaining information that is not otherwise confidential by law. Gov't Code § 552.007.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ¹As we are able to resolve this issue under section 552.108, we do not address your other claims, for exception of the submitted information, except to note that basic information may not be withheld from public disclosure under section 552.103. Open Records Decision No. 597 (1991).
