Mr. Ronald J. Bounds
Assistant City Attorney
City of Corpus Christi
P.O. Box 9277
Corpus Christi, Texas 78469-9277

OR2009-06078

Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 342294.

The City of Corpus Christi (the "city") received three requests for medical records and billing records pertaining to three of the requestor's clients. You claim that the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 773.091 of the Health and Safety Code. Section 773.091 provides in part:

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b), (g). Thus, except for the information specified in section 773.091(g), emergency medical services (“EMS”) records are deemed confidential under section 773.091 and, therefore, may only be released in accordance with chapter 773 of the Health and Safety Code. *See id.* §§ 773.091-.094. However, records that are confidential under section 773.091 may be disclosed to “any person who bears a written consent of the patient or other persons authorized to act on the patient’s behalf for the release of confidential information.” *Id.* §§ 773.092(e)(4), .093. Section 773.093 provides that a consent for release of EMS records must specify (1) the information or records to be covered by the release; (2) the reasons or purpose for the release; and (3) the person to whom the information is to be released. Upon review, we find that the submitted information consists of EMS records subject to chapter 773 of the Health and Safety Code. Although the requestor provided your office with consent forms signed by the individuals at issue, you argue that these consent forms are inadequate. As this office is unable to make a determination on the validity of the consent forms, we must rule conditionally. We find that, upon receipt of proper consent, the city must release the requested EMS records under section 773.093. *See id.* §§ 773.092, .093; *see also* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exceptions to disclosure under the Act). Otherwise, the city must withhold the requested EMS records under section 552.101 of the Government Code in conjunction with section 773.091 of the Health and Safety Code, except as specified by section 773.091(g).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General at (512) 475-2497.

Sincerely,

Jonathan Miles
Assistant Attorney General
