

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

May 28, 2009

Mr. Andy Quittner
Assistant City Attorney
City of San Marcos

San Marcos, Texas 78666

OR2009-07205

Dear Mr. Quittner:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 344385.

The San Marcos Police Department (the "department") received two requests from the same requestor for information pertaining to two specified incident reports. You state you do not have information responsive to one of the requested reports.¹ You claim that the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note that the submitted documents include a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064. Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, including section 550.065 of the Transportation Code. Section 550.065(b) states that except as provided by subsection (c), accident reports are privileged and confidential. *See* Transp.

¹We note that the Act does not require a governmental body to release information that did not exist when it received a request or create responsive information. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 555 at 1 (1990), 452 at 3 (1986), 362 at 2 (1983).

Code § 550.065(b). Section 550.065(c)(4) provides for the release of the accident report to a person who provides two or more of the following three pieces of information: (1) date of the accident; (2) specific location of the accident; and (3) name of any person involved in the accident. *Id.* § 550.065(c)(4). In this instance, the requestor has provided the department with the three pieces of information listed under section 550.065(c)(4) of the Transportation Code. Although you seek to withhold this report under section 552.108 of the Government Code, the exceptions found in the Act generally do not apply to information that is made public by other statutes. *See* Open Records Decision No. 525 (1989) (statutory predecessor). Accordingly, the department must release the CR-3 accident report under this section.

Section 552.108(a) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime.” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex.1977). You state, and provide an affidavit affirming, that the information at issue relates to a pending criminal investigation and prosecution. Based on this representation, we conclude that section 552.108(a)(1) is applicable to the remaining information. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.]1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

We note that section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* Open Records Decision No. 127 (1976) (summarizing types of information made public by *Houston Chronicle*). Therefore, with the exception of basic information, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the department must release the submitted CR-3 accident report form pursuant to section 550.065 of the Transportation Code. With the exception of basic information, the department may withhold the remaining information from public disclosure under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php,
