Ms. Patrice Fogarty
City Secretary
City of Missouri City

Missouri City, Texas 77489

OR2009-09588

Dear Ms. Fogarty:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 353371.

The City of Missouri City (the "city") received a request for a specified incident report. You claim the requested information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, including section 261.201 of the Family Code, which provides as follows:

(a) The following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Because the requested documents were used or developed in an investigation of child abuse, the documents are within the scope of section 261.201 of the

Family Code. *See id.* § 261.001(1), (4) (defining “abuse” and “neglect” for purposes of Fam. Code ch. 261); *see also id.* § 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes). You have not indicated that the city’s police department has adopted a rule that governs the release of this type of information. Therefore, we assume that no such regulation exists. Given that assumption, the requested documents are confidential pursuant to section 261.201 of the Family Code and must be withheld in their entirety under section 552.101 of the Government Code.¹ *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute). As our ruling is dispositive, we need not address your remaining arguments against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General at (512) 475-2497.

Sincerely,

Jordan Hale
Assistant Attorney General
Open Records Division

¹We note that the requestor, as a parent of a child who is the subject of reported abuse or neglect, may have a right of access to certain abuse and neglect records maintained by the Texas Department of Family and Protective Services (“DFPS”). Section 261.201(g) of the Family Code provides that DFPS, upon request and subject to its own rules:

shall provide to the parent, managing conservator, or other legal representative of a child who is the subject of reported abuse or neglect information concerning the reported abuse or neglect that would otherwise be confidential under this section if DFPS has edited the information to protect the confidentiality of the identity of the person who made the report and any other person whose life or safety may be endangered by the disclosure.
