Dear Ms. Villarreal:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 353810 (LGL-09-632).

The City of Waco (the "city") received a request for information pertaining to a specified incident. You indicate the city has released some of the requested information to the requestor. You claim portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Sections 772.118, 772.218, and 772.318 of the Health and Safety Code are applicable to emergency 9-1-1 districts established in accordance with chapter 772. See Open Records Decision No. 649 (1996). These sections make the originating telephone numbers and addresses of 9-1-1 callers furnished by a service supplier confidential. *Id.* at 2. Section 772.118 applies to an emergency communication district for a county with a population of more than two million. Section 772.218 applies to an emergency communication district for a county with a population of more than 860,000.

Section 772.318 applies to an emergency communication district for a county with a population of more than 20,000.

We understand that the city is part of an emergency communication district established under section 772.318. You have marked the telephone number of a 9-1-1 caller that the city seeks to withhold under that section. ~~Provided that it was furnished by a 9-1-1 service supplier,~~ we agree that the city must withhold the marked information under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code. The remaining information must be released to the requestor.
