Mr. James Mu

Texas Department of Criminal Justice

OR2009-10906

Dear Mr. Mu:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 351572.

The Texas Department of Criminal Justice (the "department") received a request for a specified incident report. You claim the requested information is excepted from disclosure under section 552.134 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.134(a) of the Government Code relates to inmates and former inmates of the department and provides in relevant part the following:

(a) Except as provided by Subsection (b) or by Section 552.029 [of the Government Code], information obtained or maintained by the Texas Department of Criminal Justice is excepted from [required public disclosure] if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

Gov't Code § 552.134(a). Section 552.134 is explicitly made subject to section 552.029, which provides in relevant part the following:

Notwithstanding . . . Section 552.134, the following information about an inmate who is confined in a facility operated by or under a contract with the Texas Department of Criminal Justice is subject to required disclosure under Section 552.021:

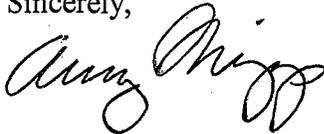

(8) basic information regarding the death of an inmate in custody, an incident involving the use of force, or an alleged crime involving the inmate.

*Id.* § 552.029(8). Upon review, we agree that section 552.134 of the Government Code is applicable to the submitted information. However, we note that the submitted information relates to the death of an inmate in custody. Therefore, basic information about the inmate's death is subject to disclosure under section 552.029(8) of the Government Code. *Id.* For purposes of section 552.029(8), basic information includes the time and place of the incident, the names of inmates and of department employees who were involved, a brief narrative of the incident, a brief description of any injuries sustained by anyone involved, and information regarding any criminal charges or disciplinary actions that were filed as a result of the incident. Therefore, with the exception of basic information subject to section 552.029(8) of the Government Code, which must be released, the department must withhold the submitted information under section 552.134 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
