Dear Ms. Villarreal-Reyna:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 353118 (TDI # 92435).

The Texas Department of Insurance (the "department") received a request for all Charter-related documents pertaining to American General Life Insurance Company ("American").¹ You state you will release some of the requested information to the requestor. Although you take no position with respect to the public availability of the remaining requested information, you state that release of this information may implicate the proprietary interest of a third party. You inform us, and provide documentation showing, that pursuant to section 552.305 of the Government Code, the department has notified American of the request and of its right to submit arguments to this office explaining why the submitted information should not be released. *See* Gov't Code § 552.305 (permitting interested third party to submit to attorney general reasons why requested information should not be released); *see also* Open Records Decision No. 542 (1990) (determining that statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in certain circumstances). We have reviewed the submitted information.

¹We note that the department asked for and received clarification regarding this request. *See* Gov't Code § 552.222(b) (governmental body may communicate with requestor for purpose of clarifying or narrowing request for information); *see also* Open Records Decision No. 663 (1999) (discussing tolling of deadlines during period in which governmental body is awaiting clarification).

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from American explaining why the submitted information should not be released. Therefore, we have no basis to conclude that American has protected proprietary interests in any of the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3 (1990). As the department takes no position with respect to the submitted information, it must be released to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General at (512) 475-2497.

Sincerely,

Adam Leiber
Assistant Attorney General
