Ms. Cary Grace  
Assistant City Attorney  
City of Austin  
P.O. Box 1088

OR2009-12410

Dear Ms. Grace:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 358620.

The Austin Police Department (the "department") received a request for several categories of information concerning a specified accident. You claim that the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note that the submitted information contains breath test results of an arrestee's blood alcohol content. Upon the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. Transp. Code § 724.018. Thus, if the requestor is an authorized representative of the individual at issue, the department must release the breath test results to the requestor pursuant to section 724.018 of the Transportation Code. To the extent the requestor is not the individual's authorized representative, we will consider your argument against the disclosure of this information, as well as the remaining submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental

body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. See Gov't Code §§ 552.108(a)(1), .301(e)(1)(A); see also *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that the submitted information relates to an ongoing criminal prosecution. Based on this representation, we conclude that the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. App.—Houston [14th Dist.] 1975), writ ref'd n.r.e., 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

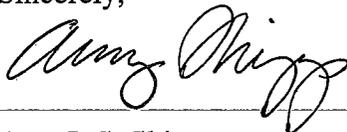

However, basic information about an arrested person, an arrest, or a crime is not excepted from disclosure under section 552.108. Gov't Code § 552.108(c). Such basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-8; see also Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, the department may withhold the submitted information under section 552.108(a)(1).

In summary, if the requestor is an authorized representative of the individual at issue, the department must release the breath test results to the requestor pursuant to section 724.018 of the Transportation Code. The department may withhold the remaining submitted information, with the exception of basic information, under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General at (512) 475-2497.

Sincerely,

Amy L.S. Shipp
