Dear Ms. Ross:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 354470.

The City of The Colony (the "city"), which you represent, received a request for specific correspondence and information pertaining to the termination of the requestor's client, excluding documents protected under the attorney-client privilege.¹ You state that the city is making most of the requested information available to the requestor. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 1703.306 of the Occupations Code, which provides as follows:

¹You indicate and provide documentation showing that the city sought and received a clarification of the information requested. *See* Gov't Code § 552.222 (providing that if request for information is unclear, governmental body may ask requestor to clarify request); *see also* Open Records Decision No. 31 (1974) (when presented with broad requests for information rather than for specific records, governmental body may advise requestor of types of information available so that request may be properly narrowed).

(a) A polygraph examiner, trainee, or employee of a polygraph examiner, or a person for whom a polygraph examination is conducted or an employee of the person, may not disclose information acquired from a polygraph examination to another person other than:

- (1) the examinee or any other person specifically designated in writing by the examinee;
- (2) the person that requested the examination;
- (3) a member, or the member's agent, of a governmental agency that licenses a polygraph examiner or supervises or controls a polygraph examiner's activities;
- (4) another polygraph examiner in private consultation; or
- (5) any other person required by due process of law.

(b) The [Texas Department of Licensing and Regulation] or any other governmental agency that acquires information from a polygraph examination under this section shall maintain the confidentiality of the information.

(c) A polygraph examiner to whom information acquired from a polygraph examination is disclosed under Subsection (a)(4) may not disclose the information except as provided by this section.

Occ. Code § 1703.306. You contend that the submitted information is confidential polygraph information. The requestor does not fall within any of the enumerated categories of individuals who are authorized to receive polygraph information under section 1703.306(a). Therefore, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 1703.306 of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
