

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

September 4, 2009

Mr. Ronald J. Bounds
Assistant City Attorney
City of Corpus Christi
P.O. Box 9277
Corpus Christi, Texas 78469-9277

OR2009-12527

Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 354563.

The City of Corpus Christi (the "city") received a request for information relating to the response by emergency medical services ("EMS") to a specified incident. You state you have released some information to the requestor. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential, including section 773.091 of the Health and Safety Code. Section 773.091 provides in relevant part:

...

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

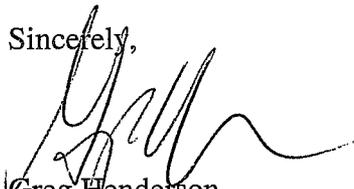

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b), (g). You state the submitted information constitutes EMS records maintained by an EMS provider documenting emergency medical services provided to a patient by EMS personnel. Based on your representation and our review, we conclude the submitted information constitutes EMS records that are confidential under section 773.091. We note, however, records that are confidential under section 773.091 may be disclosed to "any person who bears a written consent of the patient or other persons authorized to act on the patient's behalf for the release of confidential information." *Id.* §§ 773.092(e)(4), .093. Among the individuals authorized to act on the patient's behalf in providing written consent is a "personal representative" if the patient is deceased. *Id.* Section 773.093 provides that a consent for release of EMS records must specify: (1) the information or records to be covered by the release; (2) the reasons or purpose for the release; and (3) the person to whom the information is to be released. *Id.* § 773.093. You state the city has not received adequate consent for release of this information. Therefore, the city must withhold the submitted EMS records under section 552.101 of the Government Code in conjunction with section 773.091 of the Health and Safety Code, except as specified by section 773.091(g), unless the city receives the required consent for release of that information. *See id.* §§ 773.092, .093; Open Records Decision No. 632 (1995).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Greg Henderson
