

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

September 4, 2009

Mr. Michael M. Kelly
Assistant Criminal District Attorney
Victoria County
205 North Bridge Street, Suite 301
Victoria, Texas 77901

OR2009-12532

Dear Mr. Kelly:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 354649.

The Victoria County Sheriff's Office (the "sheriff") received a request for a specified report. You claim that the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as the Medical Practice Act (the "MPA"), subtitle B of title 3 of the Occupations Code. *See* Occ. Code § 151.001-165.160. Section 159.002 of the MPA provides:

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the

information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Id. § 159.002. This office has concluded that in governing access to a specific subset of information, the MPA prevails over the more general provisions of the Act. *See* Open Records Decision No. 598 (1991). Medical records must be released on the patient's signed, written consent, provided that the consent specifies (1) the information to be covered by the release, (2) the reasons or purposes for the release, and (3) the person to whom the information is to be released. *See* Occ. Code §§ 159.004, .005. Any subsequent release of medical records must be consistent with the purposes for which the governmental body obtained the records. *See id.* § 159.002(c); Open Records Decision No. 565 at 7 (1990). Upon review, we find that the submitted information consists of a medical record that must be withheld from the requestor under the MPA, unless the sheriff receives written consent for release of the record that complies with sections 159.004 and 159.005 of the MPA. As our ruling is dispositive, we need not address your remaining arguments against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General at (512) 475-2497.

Sincerely,

Christina Alvarado
