Mr. Warren M. S. Ernst  
Chief, General Counsel Division  
City of Dallas

Dallas, Texas 75201

OR2009-15157

Dear Mr. Ernst:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 363784.

The City of Dallas (the "city") received a request for information relating to a specified complaint. You claim that some of the requested information is excepted from disclosure under section 552.101 of the Government Code and privileged under Texas Rule of Evidence 508. We have considered your arguments and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. You raise section 552.101 in conjunction with the common-law informer's privilege, which Texas courts have long recognized. *See Aguilar v. State*, 444 S.W.2d 935, 937 (Tex. Crim. App. 1969). The informer's privilege protects the identities of persons who report activities over which the governmental body has criminal or quasi-criminal law-enforcement authority, provided that the subject of the information does not already know the informer's identity. *See Open Records Decision Nos. 515 at 3 (1998), 208 at 1-2 (1978)*. The privilege protects the identities of individuals who report violations of statutes to the police or similar law-enforcement agencies, as well as those who report violations of statutes with civil or criminal penalties to "administrative officials having a duty of inspection or of law enforcement within their particular spheres." *See Open Records Decision No. 279 at 2 (1981) (citing Wigmore, Evidence, § 2374, at 767 (McNaughton rev. ed. 1961))*. The report must be of a violation of a criminal or civil statute. *See Open Records Decision Nos. 582 at 2 (1990), 515 at 4-5 (1988)*. The privilege excepts the informer's statement only to the extent necessary to protect the informer's identity. *See Open Records Decision No. 549 at 5 (1990)*.

You have marked the information that the city seeks to withhold under the informer's privilege. You state that the marked information identifies an informant who reported a violation of section 7-7.4 of the Dallas City Code to the city's Code Compliance Department. You explain that the department is responsible for enforcing that section of the code. You inform us that a violation of that section is a misdemeanor punishable by a fine. Based on your representations, we find that the marked information is protected by the common-law informer's privilege. *See* Open Records Decision No. 156 (1977) (name of person who makes complaint about another individual to city's animal control division is excepted from disclosure by informer's privilege so long as information furnished discloses potential violation of state law). We therefore conclude that the city may withhold the marked information on that basis under section 552.101 of the Government Code.<sup>1</sup>
