OR2009-15564

Dear Ms. Graham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 364529.

The Mesquite Police Department (the "department") received a request for a polygraph report relating to a specified case number. You claim that the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

We first note, and you acknowledge, that the department did not comply with its ten-business-day deadline under section 552.301(b) of the Government Code in requesting this decision. *See* Gov't Code § 552.301(a)-(b). Under section 552.302 of the Government Code, the submitted information is therefore presumed to be public and must be released, unless there is a compelling reason for non-disclosure. *See id.* § 552.302; *City of Dallas v. Abbott*, 279 S.W.3d 806 (Tex. App.—Amarill 2007, pet. granted); *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). This statutory presumption can generally be overcome when information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3 (1994), 325 at 2 (1982). Because your claim under section 552.101 of the Government Code can provide a compelling reason for non-disclosure, we will address that exception.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential. You raise section 552.101 in conjunction with section 1703.306 of the Occupations Code. Information acquired from a polygraph examination is confidential under section 1703.306, which provides in part:

(a) A polygraph examiner, trainee, or employee of a polygraph examiner, or a person for whom a polygraph examination is conducted or an employee of the person, may not disclose information acquired from a polygraph examination to another person other than:

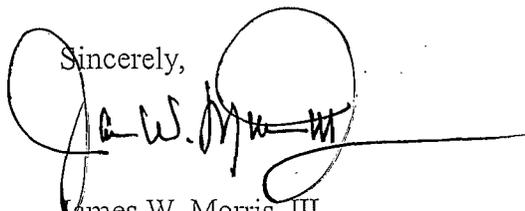

- (1) the examinee or any other person specifically designated in writing by the examinee;
- (2) the person that requested the examination;
- (3) a member, or the member's agent, of a governmental agency that licenses a polygraph examiner or supervises or controls a polygraph examiner's activities;
- (4) another polygraph examiner in private consultation; or
- (5) any other person required by due process of law.

Occ. Code § 1703.306(a). We agree that the department must withhold the submitted polygraph examination report under section 552.101 of the Government Code in conjunction with section 1703.306 of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
