

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

November 10, 2009

Mr. Ryan S. Henry
Denton, Navarro, Rocha & Bernal
For City of Garden Ridge
2517 North Main Avenue
San Antonio, Texas 78212

OR2009-16012

Dear Mr. Henry:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 361038.

The City of Garden Ridge (the "city"), which you represent, received a request for traffic citations issued during a specified time period and on a particular date at a specified intersection. You state that some responsive information has been released to the requestor. You claim that the submitted information is excepted from disclosure under sections 552.103 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides in part:

- (a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The governmental body has the burden of providing relevant facts and documents sufficient to establish the applicability of section 552.103 to the information that it seeks to withhold. To meet this burden, the governmental body must demonstrate: (1) that litigation was pending or reasonably anticipated on the date of its receipt of the request for information and (2) that the information at issue is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479 (Tex. App.—Austin 1997, no pet.); *Heard v. Houston Post Co.*, 684 S.W.2d 210 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); *see also* Open Records Decision No. 551 at 4 (1990). Both elements of the test must be met in order for information to be excepted from disclosure under section 552.103.

You inform us that the requested information relates to pending matters in municipal court. We understand you to assert that the city is a party to the pending litigation. We note, however, the purpose of section 552.103 is to enable a governmental body to protect its position in litigation by forcing parties to obtain information that is related to litigation through discovery procedures. *See* ORD 551 at 4-5. Thus, information that has either been obtained from or provided to the opposing party in the litigation is not excepted from disclosure under section 552.103(a), and it must be disclosed. The citations at issue were provided to the individuals who were cited; thus, each citation was inevitably seen by the opposing party to the litigation. *Cf.* Open Records Decision No. 597 (1991) (predecessor to section 552.103 generally does not except from disclosure information seen by potential offender in pending litigation.) Therefore, the submitted citation report may not be withheld under section 552.103 of the Government Code.

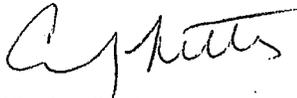

You also raise section 552.130 of the Government Code, which excepts from disclosure “information [that] relates to . . . a motor vehicle operator’s or driver’s license or permit issued by an agency of this state [or] a motor vehicle title or registration issued by an agency of this state[.]” *Id.* § 552.130(a)(1), (2). Accordingly, the city must withhold the Texas driver’s license and license plate numbers you have marked pursuant to section 552.130. The remaining submitted information must be released to the requestor.¹

¹We note the requestor has a special right of access to some of the information being released in this instance. Gov't Code § 552.023 (person or person’s authorized representative has a special right of access to records that contain information relating to the person that are protected from public disclosure by laws intended to protect that person’s privacy interests). Because such information may be confidential with respect to the general public, if the city receives another request for this information from a different requestor, the city must again seek a ruling from this office.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Cindy Nettles
