December 9, 2009

Ms. Yvette Aguilar
Assistant City Attorney
City of Corpus Christi
321 John Sartain
Corpus Christi, Texas 78401

OR2009-17449

Dear Ms. Aguilar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 368907.

The Corpus Christi Police Department (the "department") received a request for information relating to a robbery. You claim that some of the requested information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the information you submitted.

Section 552.101 of Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential. Chapter 772 of the Health and Safety Code authorizes the development of local emergency communication districts. Sections 772.118, 772.218, and 772.318 of the Health and Safety Code are applicable to emergency 911 districts established in accordance with chapter 772. *See* Open Records Decision No. 649 (1996). These sections make the originating telephone numbers and addresses of 911 callers furnished by a service supplier confidential. *Id.* at 2. Section 772.118 applies to an emergency communication district for a county with a population of more than two million. Section 772.218 applies to an emergency communication district for a county with a population of more than 860,000. Section 772.318 applies to an emergency communication district for a county with a population of more than 20,000.

You inform us that the City of Corpus Christi is part of an emergency communication district established under section 772.318. You state that the telephone number you have marked is that of a 911 caller and was furnished by a 911 service supplier. Based on your

representations, we conclude that the department must withhold the marked telephone number under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code.

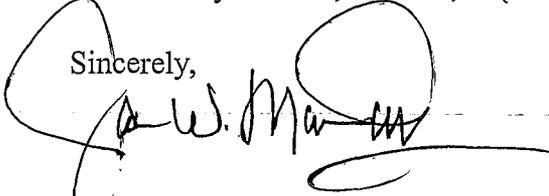

Section 552.108 of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You have marked the information that the department seeks to withhold under section 552.108. You state that the marked information pertains to a pending criminal case. Based on your representations, we conclude that the department may withhold the marked information under section 552.108(a)(1). *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

In summary: (1) the department must withhold the marked telephone number of the 911 caller under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code; and (2) the department may withhold the marked information that pertains to the pending case under section 552.108(a)(1) of the Government Code. The rest of the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
