Ms. Susan Camp-Lee

Attorney for City of Round Rock

OR2010-00037

Dear Ms. Camp-Lee:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 370913.

The Round Rock Police Department (the "department"), which you represent, received a request for information pertaining to a specified accident. You state you have released some of the requested information. You claim portions of the submitted information are excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note that some of the information you have submitted to us for review is not responsive to the request for information as it does not pertain to the specified accident. This ruling does not address the public availability of any information that is not responsive to the request, and the department is not required to release this information, which we have marked, in response to this request.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses common-law privacy, which protects

information that is highly intimate or embarrassing, such that its release would be highly objectionable to a person of ordinary sensibilities, and of no legitimate public interest. *See Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Personal financial information that relates only to an individual ordinarily satisfies the first element of the common-law privacy test, but the public has a legitimate interest in the essential facts about a financial transaction between an individual and a governmental body. *See* Open Records Decision Nos. 545 at 4 (1990) (attorney general has found kinds of financial information not excepted from public disclosure by common-law privacy to generally be those regarding receipt of governmental funds or debts owed to governmental entities), 523 at 4 (1989) (noting distinction under common-law privacy between confidential background financial information furnished to public body about individual and basic facts regarding particular financial transaction between individual and public body), 373 at 4 (1983) (determination of whether public's interest in obtaining personal financial information is sufficient to justify its disclosure must be made on case-by-case basis). We agree the department must withhold the personal financial information that you have highlighted in green under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator's or driver's license or permit or a motor vehicle title or registration issued by an agency of this state. *See* Gov't Code § 552.130(a)(1)-(2). We agree that the Texas driver's license and motor vehicle information that you have highlighted in yellow must be withheld under section 552.130.¹

In summary: (1) the department must withhold the green-highlighted personal financial information under section 552.101 of the Government Code in conjunction with common-law privacy; and (2) the yellow-highlighted Texas driver's license and motor vehicle information must be withheld under section 552.130 of the Government Code. The rest of the responsive information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free,

¹We note that this office recently issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies, which authorizes withholding of ten categories of information, including Texas driver's license and license plate numbers under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.

at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Paige Lay
