Ms. Heather Stebbins  
Assistant City Attorney  
City of Kerrville

OR2010-00569

Dear Ms. Stebbins:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 367046.

The Kerrville Police Department (the "department") received a request for all documents relating to the investigation and arrest of a named individual for aggravated assault with a deadly weapon. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information that other statutes make confidential, such as the Medical Practice Act (the "MPA"), subtitle B of title 3 of the Occupations Code. *See* Occ. Code § 151.001. Section 159.002 of the MPA provides, in part:

- (a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.
- (b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.
- (c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the

information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(a)-(c). This office has concluded that the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). This office has also determined when a file is created as the result of a hospital stay, all of the documents in the file that relate to diagnosis and treatment constitute either physician-patient communications or records of the identity, diagnosis, evaluation, or treatment of a patient by a physician that are created or maintained by a physician. *See* Open Records Decision No. 546 (1990). We have marked the medical records that the department must withhold under the MPA, unless the department receives written consent for release of those records that complies with sections 159.004 and 159.005 of the MPA. However, we find that you have failed to demonstrate how any of the remaining information constitutes a medical record for purposes of the MPA. Therefore, the remaining information is not confidential under the MPA, and no portion of it may be withheld under section 552.101 of the Government Code on this basis. As you raise no other exceptions to disclosure, the remaining information must be released.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
