Ms. Alva Alvarez  
County Attorney  
Reeves County  
P.O. Box 825

OR2010-00897

Dear Ms. Alvarez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 367925.

The Reeves County Judge (the "county") received a request for nineteen categories of information relating to the county detention center. You claim the requested information is excepted from disclosure under sections 552.101, 552.102, 552.103, 552.107, 552.108, 552.110, 552.111, 552.117, 552.1175, 552.125, 552.132, and 552.137 of the Government Code. You also indicate you have notified GEO Group, Inc. and Physicians Network Association of the request and of each entity's right to submit arguments to this office as to why the requested information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (determining that statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain the applicability of exception to disclose under Act in certain circumstances).

Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) general written comments stating the reasons why the state exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e)(1)(A)-(D). As of this date, you have not submitted to this office a copy or representative sample of the information requested or written comments stating why the

requested information is excepted from disclosure. Accordingly, we conclude the county failed to comply with the procedural requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to submit to this office the information required in section 552.301(e) results in the legal presumption that the requested information is public and must be released. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *City of Dallas v. Abbott*, 279 S.W.3d 806, 811 (Tex. App.—Amarillo 2007, pet. granted); *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). Generally, a governmental body may demonstrate a compelling reason to withhold information by showing that the information is made confidential by another source of law or affects third party interests. *See* Open Records Decision No. 630 (1994). In failing to comply with the requirements of section 552.301, the county has waived the raised discretionary exceptions. *See* Open Records Decision No. 522 (1989) (discretionary exceptions in general). Accordingly, the requested information may not be withheld under any discretionary exceptions. Furthermore, by failing to submit any information for our review, we have no basis for finding it confidential under the claimed mandatory exceptions. Thus, we have no choice but to order the county to release the requested information in accordance with section 552.302 of the Government Code. If you believe the information is confidential and may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
