Ms. Candice M. De La Garza  
Assistant City Attorney  
City of Houston  
P.O. Box 368

OR2010-01505

Dear Ms. De La Garza:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 373344.

The City of Houston (the "city") received a request for information relating to a specified internal affairs investigation. You claim that the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential. You raise section 552.101 in conjunction with section 143.1214 of the Local Government Code, which provides in part:

(b) The department shall maintain an investigatory file that relates to a disciplinary action against a fire fighter or police officer that was overturned on appeal, or any document in the possession of the department that relates to a charge of misconduct against a fire fighter or police officer, regardless of whether the charge is sustained, only in a file created by the department for the department's use. The department may only release information in those investigatory files or documents relating to a charge of misconduct:

- (1) to another law enforcement agency or fire department;
- (2) to the office of a district or United States attorney; or
- (3) in accordance with Subsection (c).

(c) The department head or the department head's designee may forward a document that relates to a disciplinary action against a fire fighter or police officer to the [civil service] director or the director's designee for inclusion in the fire fighter's or police officer's personnel file maintained under Sections 143.089(a)-(f) [of the Local Government Code] only if:

- (1) disciplinary action was actually taken against the fire fighter or police officer;
- (2) the document shows the disciplinary action taken; and
- (3) the document includes at least a brief summary of the facts on which the disciplinary action was based.

Local Gov't Code § 143.1214(b)-(c).<sup>1</sup> You inform us that the submitted information is a record of an investigation by the Houston Police Department's Office of Internal Affairs of alleged misconduct on the part of city police officers. You state that because the allegations were not sustained and no disciplinary action was taken, the information in question does not meet the conditions specified by section 143.1214(c) for inclusion in the officers' personnel files under section 143.089(a) of the Local Government Code. You contend that the information must therefore be withheld under section 143.1214. Based on your representations, we agree that the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 143.1214 of the Local Government Code. *See* Open Records Decision No. 642 (1996) (concluding that files relating to investigations of Houston Fire Department personnel by Public Integrity Review Group of Houston Police Department were confidential under Local Gov't Code § 143.1214).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

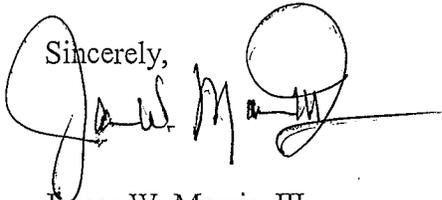

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and
