OR2010-01768

Dear Ms. Graham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 369379.

The Mesquite Police Department (the "department") received a request for information pertaining to service number 01145078. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 261.201(a) of the Family Code, which provides:

(a) Except as provided by Section 261.203, the following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). The submitted report involves indecency with a child by indecent exposure. *See id.* § 261.001(1)(E) (defining “abuse” as “sexual conduct harmful to a child's mental, emotional, or physical welfare”). Thus, we find the submitted report is within the scope of section 261.201 of the Family Code. You have not indicated the department has adopted a rule that governs the release of this type of information; therefore, we assume that no such regulation exists. Given that assumption, the department must withhold the submitted incident report in its entirety under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code. *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).<sup>1</sup>
