

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

February 9, 2010

Mr. David K. Walker  
County Attorney  
Montgomery County  
207 West Phillips, 1st Floor  
Conroe, Texas 77301

OR2010-01964

Dear Mr. Walker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 373831.

The Montgomery County Sheriff's Office (the "sheriff") received two requests for the police report and dash cam video pertaining to a specified case number. You claim that the requested information is excepted from disclosure under section 552.108 of the Government Code.<sup>1</sup> We have considered the exception you claim and reviewed the submitted information.

Initially, we note that the submitted documents include a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states that, except as provided by subsection (c) or (e), accident reports are privileged and confidential. *Id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.*

---

<sup>1</sup>Although, you raise section 552.101 of the Government Code as an exception to disclosure of the submitted information, you have provided no argument regarding the applicability of that section. Accordingly, we assume that you no longer urge that exception. *See* Gov't Code §§ 552.301(b), (e), .302

§ 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the first requestor has not provided the sheriff with two of the required pieces of information. Thus, the sheriff must withhold the submitted CR-3 accident report from the first requestor under section 550.065(b) of the Transportation Code.

Next, we address your claim under section 552.108 of the Government Code for the remaining information. Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), 301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). We note that the submitted information includes a statutory warning and notice of suspension. Because copies of these documents, which we have marked, have been provided to the arrestee, we find that their release will not interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Therefore, the sheriff may not withhold these documents under section 552.108(a)(1). You state and provide an affidavit from the Montgomery County District Attorney’s Office confirming that the remaining information relates to an open and pending criminal prosecution. Based upon your representation, the submitted affidavit, and our review, we conclude that the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Thus, section 552.108(a)(1) is applicable to the remaining information.

However, as you acknowledge, basic information about an arrested person, an arrest, or a crime is not excepted from disclosure under section 552.108. Gov’t Code § 552.108(c). Such basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-8; *see also* Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of the statutory warning, notice of suspension, and basic information, the sheriff may withhold the remaining information under section 552.108(a)(1). We note that you have the discretion to release all or part of the remaining information that is not otherwise confidential by law. Gov’t Code § 552.007.

We note that the statutory warning and the notice of suspension both contain information that is subject to section 552.130 of the Government Code.<sup>2</sup> Section 552.130 provides that information relating to a motor vehicle operator's license or driver's license issued by a Texas agency is excepted from public release. Gov't Code § 552.130(a)(1). Upon review, we find the sheriff must withhold the Texas driver's license numbers we have marked in the statutory warning and the notice of suspension under section 552.130 of the Government Code.<sup>3</sup>

In summary, the sheriff must withhold the submitted CR-3 accident report from the first requestor under section 550.065(b) of the Transportation Code. With the exception of the statutory warning, notice of suspension, and basic information, the sheriff may withhold the remaining information under section 552.108(a)(1) of the Government Code. The sheriff must withhold the Texas driver's license numbers we have marked in the statutory warning and the notice of suspension under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
