

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

February 9, 2010

Mr. C. Patrick Phillips
Assistant City Attorney
City of Fort Worth
1000 Throckmorton Street, 3rd Floor
Fort Worth, Texas 76102

OR2010-01990

Dear Ms. Phillips:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 370227 (Fort Worth PIR No. 0780-10).

The City of Fort Worth (the "city") received a request for four specified incident reports. You state that incident report 03043767 has been released to the requestor. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note that you have only submitted for our review two of the specified incident reports. Thus, to the extent information responsive to remaining requested incident report existed when the request was received, we assume it has been released. If such information has not been released, then it must be released at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes that no exceptions apply to requested information, it must release information as soon as possible).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes, such as section 58.007 of the Family Code. Section 58.007 of the Family Code provides in part:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child's parent or guardian.

...

(j) Before a child or a child's parent or guardian may inspect or copy a record or file concerning the child under Subsection (e), the custodian of the record or file shall redact:

(1) any personally identifiable information about a juvenile suspect, offender, victim, or witness who is not the child; and

(2) any information that is excepted from required disclosure under Chapter 552, Government Code, or other law.

Fam. Code § 58.007(c), (e), (j). Section 58.007(c) is applicable to records of juvenile conduct that occurred on or after September 1, 1997. *See* Act of June 2, 1997, 75th Leg., R.S., ch. 1086, §§ 20, 55(a), 1997 Tex. Gen. Laws 4179, 4187, 4199; Open Records Decision No. 644 (1996). The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See* Fam. Code § 51.02(2) (defining "child" for purposes of Fam. Code tit. 3). Section 58.007(c) is not applicable to information that relates to a juvenile as a complainant, victim, witness, or other involved party and not as a suspect or offender.

We find that the submitted information involves a juvenile offender, so as to fall within the scope of section 58.007(c). *See id.* § 51.03(a)-(b) (defining "delinquent conduct" and

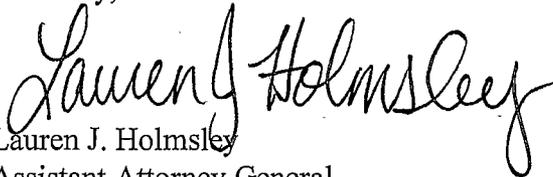

“conduct indicating need for supervision” for purposes of Fam. Code tit. 3). In this instance, however, the requestor is one of the juveniles involved in the reports. Thus, the requestor has a right to inspect her own juvenile law enforcement records pursuant to section 58.007(e). *See id.* § 58.007(e).

However, incident report number 02107837 involves a juvenile witness and incident report number 02897419 involves a juvenile offender other than the requestor. Therefore, pursuant to section 58.007(j), the city must withhold the information you have marked identifying the juvenile witness and juvenile offender before allowing the requestor to inspect or copy these reports.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Lauren J. Holmsley
