Dear Ms. Aguilar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 374580.

The Corpus Christi Police Department (the "department") received a request for information pertaining to incidents involving a named company's garbage trucks during a specified time period. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision" and encompasses information made confidential by statute. Gov't Code § 552.101. Section 550.065(b) of the Transportation Code states that except as provided by subsection (c), accident reports are privileged and confidential. *See* Transp. Code § 550.065. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute. *Id.* The submitted information consists of CR-3 accident report forms that were completed pursuant to chapter 550 of the

Transportation Code. *See id.* § 550.064 (officer's accident report). In this instance, the requestor has not provided the department with two of the three requisite pieces of information. Therefore, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
