Mr. Mark G. Mann

City of Garland

OR2010-02539

Dear Mr. Mann:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 375049 (GCA 10-0065).

The Garland Police Department (the "department") received a request for information pertaining to a specified incident. You state you have released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential. You state the submitted information consists of emergency medical service ("EMS") records that are confidential under section 773.091 of the Health and Safety Code, which is also encompassed by section 552.101. Section 773.091 provides in relevant part as follows:

Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or

maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

Health & Safety Code § 773.091(b). This confidentiality “does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.” *Id.* § 773.091(g). Upon review, we agree that the submitted information constitutes EMS records that are subject to chapter 773 of the Health and Safety Code. Accordingly, the department must withhold the submitted EMS records under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code, except for information subject to section 773.091(g), which must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
