Dear Mr. Mu:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 370988.

The Texas Department of Criminal Justice (the "department") received a request for the sociological summary pertaining to a named inmate. You claim that the requested information is excepted from disclosure under sections 552.101 and 552.134 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.134 of the Government Code, which relates to inmates and former inmates of the department, provides in relevant part:

(a) Except as provided by Subsection (b) or by Section 552.029, information obtained or maintained by the [department] is excepted from [required public disclosure] if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

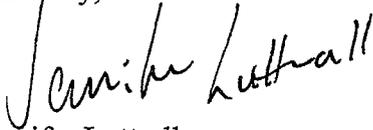

Gov't Code § 552.134(a). Upon review, we agree all of the submitted information consists of records pertaining to an individual confined as an inmate in a facility operated by the department and is, therefore, subject to section 552.134. We find the exceptions in

section 552.029 are not applicable in this instance. Therefore, the department must withhold the submitted information under section 552.134(a) of the Government Code.<sup>1</sup>
