

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

February 24, 2010

Ms. LeAnn M. Quinn
City Secretary
City of Cedar Park
600 North Bell Boulevard
Cedar Park, Texas 78613

OR2010-02764

Dear Ms. Quinn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 375550 (Reference No. 10-192).

The City of Cedar Park (the "city") received a request for information relating to a specified address and time interval. You claim that some of the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. You raise section 552.101 in conjunction with the common-law informer's privilege, which Texas courts have long recognized. *See Aguilar v. State*, 444 S.W.2d 935, 937 (Tex. Crim. App. 1969). The informer's privilege protects the identities of persons who report activities over which the governmental body has criminal or quasi-criminal law-enforcement authority, provided that the subject of the information does not already know the informer's identity. *See Open Records Decision Nos. 515 at 3 (1998), 208 at 1-2 (1978)*. The privilege protects the identities of individuals who report violations of statutes to the police or similar law-enforcement agencies, as well as those who report violations of statutes with civil or criminal penalties to "administrative officials having a duty of inspection or of law enforcement within their particular spheres." *See Open Records Decision No. 279 at 2 (1981) (citing Wigmore, Evidence, § 2374, at 767 (McNaughton rev. ed. 1961))*. The report must be of a violation of a criminal or civil statute. *See Open Records*

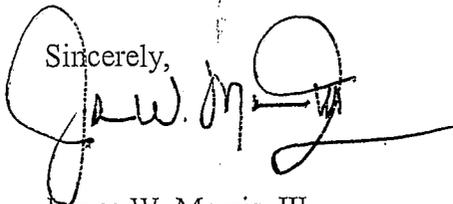

Decision Nos. 582 at 2 (1990), 515 at 4-5 (1988). The privilege excepts the informer's statement only to the extent necessary to protect the informer's identity. *See* Open Records Decision No. 549 at 5 (1990).

You have marked the information for which the city claims the informer's privilege. You state that the marked information identifies an individual who reported possible violations of the city's code of ordinances. You also state that the possible violations were reported to the city's police department, which is charged with enforcing the code. You indicate that a violation of the code provision concerned is punishable by a criminal penalty. Based on your representations and our review of the information at issue, we conclude that the city may withhold most of the marked information under section 552.101 of the Government Code in conjunction with the common-law informer's privilege. We find that the rest of the information at issue does not identify the informer. Thus, that information, which we have marked, may not be withheld under section 552.101 on the basis of the informer's privilege and must be released. The city also must release the rest of the submitted information unless it has already done so.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,
