Mr. Russell Brown
Bellaire Police Records Manager
Bellaire Police Department

Bellaire, Texas 77401-4495

OR2010-03148

Dear Mr. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 376374 (O.R. 10-02).

The Bellaire Police Department (the "department") received a request for specified traffic citations. You claim that the requested information is excepted from disclosure under sections 552.103 and 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.¹

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108(a). Generally, a governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* § 552.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). We note the

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

submitted information consists of a citation. Because the citation has been provided to the individual who was cited, we find release of this information will not interfere with the detection, investigation, or prosecution of crime. See Gov't Code § 552.108(a)(1). Therefore, the department may not withhold the citation under section 552.108(a)(1).

Next, section 552.103 provides in part:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The department has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation is pending or reasonably anticipated on the date the department received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, no pet.); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). The department must meet both prongs of this test for information to be excepted under section 552.103(a).

The department and the prosecutor for the City of Bellaire (the "prosecutor") explain the submitted citation relates to pending litigation. The prosecutor indicates he represents a party to the pending litigation. We note, however, the purpose of section 552.103 is to enable a governmental body to protect its position in litigation by forcing parties to obtain information that is related to litigation through discovery procedures. See ORD 551 at 4-5. Thus, information that has either been obtained from or provided to the opposing party in the litigation is not excepted from disclosure under section 552.103(a), and it must be disclosed. The submitted citation was provided to the individual who was cited; thus, the citation was inevitably seen by the opposing party to the litigation. Therefore, the submitted citation may not be withheld under section 552.103 of the Government Code.

We note portions of the submitted citation are subject to section 552.130 of the Government Code.² Section 552.130 excepts from disclosure "information [that] relates to . . . a motor vehicle operator's or driver's license or permit issued by an agency of this state [or] a motor vehicle title or registration issued by an agency of this state[.]" Gov't Code § 552.130. Therefore, the department must withhold the marked Texas motor vehicle record information under section 552.130 of the Government Code.³ The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free at (888) 672-6787.

Sincerely,

Tamara H. Holland

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. See Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

³We note this office recently issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including Texas driver's license and license plate numbers under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.
