

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

March 4, 2010

Mr. Gregory A. Alicie  
Open Records Specialist  
Baytown Police Department  
3200 North Main Street  
Baytown, Texas 77521

OR2010-03195

Dear Mr. Alicie:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 376534.

The Baytown Police Department (the "department") received a request for information pertaining to a specified incident. You claim that portions of the submitted information are excepted from disclosure under sections 552.101, 552.108, 552.130, and 552.147 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses the doctrine of common-law privacy, which protects information that (1) contains highly intimate or embarrassing facts the publication of which would be highly objectionable to a reasonable person and (2) is not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). The types of information considered intimate and embarrassing by the Texas Supreme Court in *Industrial Foundation* included information relating to sexual assault, pregnancy, mental or physical abuse in the workplace, illegitimate children, psychiatric treatment of mental disorders, attempted suicide, and injuries to sexual organs. *Id.* at 683. In addition, this office has found that some kinds of medical information or information indicating disabilities or specific illnesses is protected by common-law privacy. *See* Open Records Decision Nos. 470 (1987) (illness from severe emotional and job-related stress), 455 (1987) (prescription drugs, illnesses, operations, and physical handicaps). Upon review, we conclude the department must withhold the information you have marked under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.108(a)(1) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if]

release of the information would interfere with the detection, investigation, or prosecution of crime.” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), (b)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information you have marked relates to a pending criminal prosecution. Based on this representation, we conclude that the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14<sup>th</sup> Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Therefore, the department may withhold the information you have marked under section 552.108(a)(1) of the Government Code.<sup>1</sup>

Next, you claim that the information you have marked is excepted from disclosure under section 552.130 of the Government Code. Section 552.130 excepts from public disclosure information that relates to:

- (1) a motor vehicle operator’s or driver’s license or permit issued by an agency of this state; [or]
- (2) a motor vehicle title or registration issued by an agency of this state[.]

Gov’t Code § 552.130(a). Upon review, we agree that the department must withhold the Texas motor vehicle record information you have marked, as well as the additional information we have marked, under section 552.130.<sup>2</sup>

You claim the social security numbers you have marked in the remaining submitted information are excepted from disclosure under section 552.147 of the Government Code. This section provides “[t]he social security number of a living person is excepted from” required public disclosure under the Act. Therefore, the department may withhold the marked social security numbers in the remaining information under section 552.147 of the Government Code.<sup>3</sup>

---

<sup>1</sup>As our ruling is dispositive, we do not address your remaining claim regarding portions of this information.

<sup>2</sup>We note this office recently issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including Texas driver’s license numbers and Texas license plate numbers, under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.

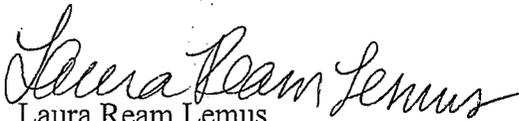

<sup>3</sup>We note that section 552.147(b) of the Government Code authorizes a governmental body to redact a living person’s social security number from public release without the necessity of requesting a decision from this office under the Act.

In summary, the department must withhold the information you have marked under section 552.101 of the Government Code in conjunction with common-law privacy. The department may withhold the information you have marked under section 552.108(a)(1) of the Government Code. The department must withhold the Texas motor vehicle record information you have marked, as well as the additional information we have marked, under section 552.130 of the Government Code. The department may withhold the marked social security numbers in the remaining information under section 552.147 of the Government Code. The remaining information must be released to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
