Mr. R. Kinley Hegglund, Jr.  
Senior Assistant City Attorney  
City of Wichita Falls  
P.O. Box 1431

OR2010-03323

Dear Mr. Hegglund:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 377759 (City ID# 038A).

The Wichita Falls Police Department (the "department") received a request for information pertaining to two specified case numbers. You state you have released some of the requested information. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note that the submitted documents include a CR-3 crash report that was completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) of the Transportation Code states that except as provided by subsection (c), accident reports are privileged and confidential. *See id.* § 550.065. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three items of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *See id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has not provided the department with two of the

required pieces of information. Thus, the department must withhold the CR-3 accident report from the requestor under section 550.065(b) of the Transportation Code.

Next, we address your claim under section 552.108 of the Government Code for the remaining information. Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). We note that the submitted information includes a statutory warning. Because a copy of this document, which we have marked, has been provided to the arrestee, we find that its release will not interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Therefore, the department may not withhold this document under section 552.108(a)(1). You state that the remaining information relates to an open and pending criminal investigation. Based upon your representation and our review, we conclude that the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), writ ref’d n.r.e. per curiam, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Thus, section 552.108(a)(1) is applicable to the remaining information.

However, basic information about an arrested person, an arrest, or a crime is not excepted from disclosure under section 552.108. Gov’t Code § 552.108(c). Such basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-8; *see also* Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of the statutory warning and basic information, the department may withhold the remaining information under section 552.108(a)(1).

We note that the statutory warning contains information that is subject to section 552.130 of the Government Code. Section 552.130 provides that information relating to a motor vehicle operator’s license or driver’s license issued by a Texas agency is excepted from public release. Gov’t Code § 552.130(a)(1). Upon review, we find the department must withhold the Texas driver’s license number we have marked in the statutory warning.

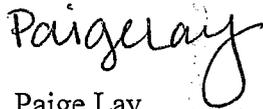

In summary, the department must withhold the submitted CR-3 accident pursuant to section 550.065(b) of the Transportation Code. With the exception of the statutory warning and basic information, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code. The department must withhold the Texas

driver's license number we have marked in the statutory warning under section 552.130 of the Government Code.<sup>1</sup>
