

ATTORNEY GENERAL OF TEXAS

GREG ABBOTT

March 9, 2010

Mr. Joe Torres, III
Attorney for the City of Alice
216 North Texas Boulevard, Suite 2
Alice, Texas 78332

OR2010-03369

Dear Mr. Torres:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 372442.

The Alice Police Department (the "department"), which you represent, received a request for all incident reports pertaining to a named location during a specified time period. You claim that the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes, such as section 58.007 of the Family Code. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997, are confidential under section 58.007. For purposes of section 58.007, "child" means a person who is ten years of age or older and under seventeen years of age. *See* Fam. Code § 51.02(2). Section 58.007 provides in pertinent part as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Id. § 58.007(c). Section 58.007(c) does not apply to law enforcement records that relate to a juvenile only as a complainant, victim, witness, or other involved party; rather, the juvenile must be involved as a suspect, offender, or defendant. Upon review, we find none of the submitted reports identify a juvenile as a suspect or offender. Therefore, you have failed to demonstrate that the submitted reports are juvenile law enforcement records for purposes of section 58.007. Accordingly, the submitted reports may not be withheld under section 552.101 of the Government Code on this basis.

Section 552.108 of the Government Code provides in relevant part:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from the requirements of Section 552.021 if:

- (1) release of the information would interfere with the detection, investigation, or prosecution of crime;
- (2) it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication;
- (3) it is information relating to a threat against a peace officer or detention officer collected or disseminated under Section 411.048; or
- (4) it is information that:
 - (A) is prepared by an attorney representing the state in anticipation of or in the course of preparing for criminal litigation; or

(B) reflects the mental impressions or legal reasoning of an attorney representing the state.

(b) An internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution is excepted from the requirements of Section 552.021 if:

(1) release of the internal record or notation would interfere with law enforcement or prosecution;

(2) the internal record or notation relates to law enforcement only in relation to an investigation that did not result in conviction or deferred adjudication; or

(3) the internal record or notation:

(A) is prepared by an attorney representing the state in anticipation of or in the course of preparing for criminal litigation; or

(B) reflects the mental impressions or legal reasoning of an attorney representing the state.

Gov't Code § 552.108(a)-(b). Although you generally assert the submitted information is excepted under section 552.108, you have not specified the subsection of section 552.108 that applies to the information, nor have you submitted any specific arguments explaining how section 552.108 applies to the information. *See* Gov't Code § 552.301(e)(1)(A) (stating it is governmental body's burden to establish applicability of claimed exception or otherwise explain why requested information should not be released). Consequently, you have failed to establish the applicability of section 552.108 of the Government Code to the submitted information, and the department may not withhold any information on that basis.

The submitted information contains Texas license plate numbers subject to section 552.130 of the Government Code.¹ Section 552.130 excepts from disclosure information relating to a motor vehicle title or registration issued by a Texas agency. *Id.* § 552.130(a)(2). The

department must withhold the license plate numbers we have marked under section 552.130 of the Government Code.² The remaining submitted information must be released.³
