Mr. David M. Swope  
Assistant County Attorney  
Harris County  
1019 Congress, 15<sup>th</sup> Floor  
Houston, Texas 77002

OR2010-03424

Dear Mr. David M. Swope:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 373582 (C.A. File No. 10GEN0012).

The Harris County Medical Examiner's Office (the "medical examiner") received a request for the autopsy and toxicology reports regarding a deceased individual. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108 of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. Where a non-law enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case

and a representation from the law enforcement agency that it wishes to have the information withheld. You inform us the Houston Police Department objects to disclosure of the submitted information because its release would interfere with a pending criminal investigation. You have submitted the sworn affidavit of Houston Police Department officer James C. Bonaby III, who states the investigation is incomplete and public disclosure of information related to the case would significantly impair the investigation and unduly interfere with the prosecution. Based on your representation and the submitted affidavit, we conclude that the medical examiner may withhold the submitted information under section 552.108(a)(1) of the Government Code. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14<sup>th</sup> Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Mack T. Harrison
