Dear Mr. Griffith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID#376326.

The Town of Flower Mound (the "town"), which you represent, received a request for the names of two police officers involved in a specified incident. You claim that a portion of the submitted information is excepted from disclosure under sections 552.117 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note that the requestor only seeks the names of the officers. Accordingly, any additional information is not responsive to the instant request because it does not fall within the category of information specified by the requestor. The town need not release non-responsive information in response to this request, and this ruling will not address that information or your arguments against disclosure. We further note that you have not raised any exceptions against disclosure of the names of the police officers. Therefore, the names of these two officers must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
