

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

March 19, 2010

Mr. R. Kinley Hegglund, Jr.
Senior Assistant City Attorney
City of Wichita Falls
P.O. Box 1431
Wichita Falls, Texas 76307

OR2010-03906

Dear Mr. Hegglund:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 378035 (City ID# 038).

The City of Wichita Falls (the "city") received a request for information related to a fatal accident. You claim that the requested information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). We note that the submitted information includes a statutory warning. Because a copy of this document, which we have marked, has been provided to the arrestee, we find that its release will not interfere with the detection, investigation, or prosecution of crime. *See Gov't Code* § 552.108(a)(1). Therefore, the city may not withhold this document under

section 552.108(a)(1). You state that the submitted information relates to an open and pending criminal investigation. Based upon your representation and our review, we conclude that the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), writ ref'd n.r.e. per curiam, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Thus, section 552.108(a)(1) is generally applicable to the remaining information.

However, basic information about an arrested person, an arrest, or a crime is not excepted from disclosure under section 552.108. Gov't Code § 552.108(c). Such basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-8; see also Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of the statutory warning and basic information, the city may withhold the submitted information under section 552.108(a)(1).

We note that the statutory warning contains information that is subject to section 552.130 of the Government Code. Section 552.130 provides that information relating to a motor vehicle operator's license or driver's license issued by a Texas agency is excepted from public release. Gov't Code § 552.130(a)(1). Upon review, we find the city must withhold the Texas driver's license number we have marked in the statutory warning.

In summary, with the exception of the statutory warning and basic information, the city may withhold the submitted information under section 552.108(a)(1) of the Government Code. The city must withhold the Texas driver's license number we have marked in the statutory warning under section 552.130 of the Government Code.¹ Basic information and the remainder of the statutory warning must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ¹We note this office recently issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including Texas driver's license numbers, under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.
