

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

March 23, 2010

Mr. Gregory Alicie
Baytown Police Department
3200 North Main Street
Baytown, Texas 77521

OR2010-04035

Dear Mr. Alicie:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 374807.

The Baytown Police Department (the "department") received a request for information related to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.147 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes, including section 58.007 of the Family Code, which provides in relevant part:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). For purposes of section 58.007, “child” means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). Section 58.007(c) does not apply to law enforcement records that relate to a juvenile only as a complainant, victim, witness, or other involved party; rather the juvenile must be involved as a suspect, offender, or defendant. Upon review, we find the submitted information does not involve a juvenile as a suspect, offender, or defendant. Therefore, you have failed to demonstrate the information at issue consists of juvenile law enforcement records for purposes of section 58.007. Accordingly, this information may not be withheld under section 552.101.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body that claims an exception to disclosure under section 552.108 must reasonably explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to a pending criminal investigation. Based upon this representation and our review, we conclude the release of the information you have marked in orange would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Therefore, the department may withhold the information you have marked in orange under section 552.108(a)(1) of the Government Code.

We note portions of the remaining information are subject to section 552.130 of the Government Code, which provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title, or registration issued by a Texas agency is excepted from public release.¹ Gov’t Code § 552.130(a)(1), (2). The information we have marked must generally be withheld under section 552.130. We note, however, the requestor may be the

insurance provider of the owner of the vehicle listed in the submitted information. As such, this requestor, if acting as the vehicle owner's authorized representative, has a right of access to the marked Texas motor vehicle record information. *See id.* § 552.023(a); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when an individual or authorized representative asks governmental body to provide information concerning that individual). In this instance, it is not clear that the requesting insurance company is acting as the vehicle owner's authorized representative. Therefore, we rule conditionally. To the extent the requestor has a right of access under section 552.023 to the marked Texas motor vehicle record information, the department must release the marked information to this requestor. To the extent this requestor does not have a right of access under section 552.023, the department must withhold the marked information under section 552.130 of the Government Code.²

Finally, section 552.147 of the Government Code states "[t]he social security number of a living person is excepted from" required public disclosure under the Act. Gov't Code § 552.147. Upon review, we agree the department may withhold the partial social security numbers you have marked under section 552.147 of the Government Code.³

In summary, the department may withhold the information you marked in orange under section 552.108(a)(1) of the Government Code. To the extent this requestor does not have a right of access under section 552.023 of the Government Code, the department must withhold the Texas motor vehicle record information we marked under section 552.130 of the Government Code. The department may withhold the partial social security numbers you marked under section 552.147 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
