

ATTORNEY GENERAL OF TEXAS

March 29, 2010

Mr. Brandon S. Shelby
City Attorney
City of Sherman
P.O. Box 1106
Sherman, Texas 75091-1106

OR2010-04399

Dear Mr. Shelby:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 374022.

The City of Sherman (the "city") received a request for fire and ambulance reports related to a specified incident. You claim that the requested information is excepted from disclosure under sections 552.101 and 552.147 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, you assert the submitted information is confidential in its entirety under the federal Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), 42 U.S.C. §§ 1320d-1320d-8. At the direction of Congress, the Secretary of Health and Human Services ("HHS") promulgated regulations setting privacy standards for medical records, which HHS issued as the Federal Standards for Privacy of Individually Identifiable Health Information. *See* Health Insurance Portability and Accountability Act of 1996, 42 U.S.C. § 1320d-2 (Supp. IV 1998) (historical & statutory note); Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. Pts. 160, 164 ("Privacy Rule"); *see also* Attorney General Opinion JC-0508 at 2 (2002). These standards govern the releasability of protected health information by a covered entity. *See* 45 C.F.R. pts. 160, 164. Under these standards, a covered entity may not use or disclose protected health information, excepted as provided by parts 160 and 164 of the Code of Federal Regulations. *See id.* § 164.502(a).

This office has addressed the interplay of the Privacy Rule and the Act. In Open Records Decision No. 681 (2004), we noted that section 164.512 of title 45 of the Code of Federal Regulations provides that a covered entity may use or disclose protected health information to the extent that such use or disclosure is required by law and the use or disclosure complies with and is limited to the relevant requirements of such law. *See* 45 C.F.R. § 164.512(a)(1). We further noted that the Act “is a mandate in Texas law that compels Texas governmental bodies to disclose information to the public.” *See* ORD 681 at 8; *see also* Gov’t Code §§ 552.002, .003, .021. We, therefore, held that the disclosures under the Act come within section 164.512(a). Consequently, the Privacy Rule does not make information confidential for the purpose of section 552.101 of the Government Code. *See Abbott v. Tex. Dep’t of Mental Health & Mental Retardation*, 212 S.W.3d 648 (Tex. App.—Austin 2006, no pet.); ORD 681 at 9; *see also* Open Records Decision No. 478 (1987) (as general rule, statutory confidentiality requires express language making information confidential). Thus, because the Privacy Rule does not make confidential information that is subject to disclosure under the Act, the city may withhold protected health information from the public only if the information is confidential under other law or an exception in subchapter C of the Act applies.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This exception encompasses information that other statutes make confidential. You state the submitted information consists of emergency medical service (“EMS”) records that are confidential under section 773.091 of the Health and Safety Code, which provides in relevant part as follows:

Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

Health & Safety Code § 773.091(b). This confidentiality “does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.” *Id.* § 773.091(g). Upon review, we agree the submitted information constitutes EMS records that are subject to chapter 773 of the Health and Safety Code. Accordingly, the city must withhold the submitted EMS records under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code, except for information subject to section 773.091(g), which must be released.¹

¹As our ruling is dispositive, we need not address your remaining argument against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
