Ms. Mary Salluce
Open Government Attorney
Texas Department of Family & Protective Services
P.O. Box 149030
Austin, Texas 78714-9030

OR2010-04618

Dear Ms. Salluce:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 374487 (DFPS# 2010-0017).

The Texas Department of Family and Protective Services (the "department") received a request for all documents related to a specified foster care home, correspondence related to the specified home, and the personnel file of a named employee. You state that the department will provide some of the requested information to the requestor. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential. Section 40.005 of the Human Resources Code authorizes the department to adopt rules for the purpose of preserving the confidentiality of information concerning child abuse and neglect and provides in part:

- (a) The department shall establish and enforce rules governing the custody, use, and preservation of the department's records, papers, files, and communications.

(b) The department shall prescribe safeguards to govern the use or disclosure of information relating to a recipient of a department service or to an investigation the department conducts in performing its duties and responsibilities. The safeguards must be consistent with the purposes of the department's programs and must comply with applicable state and federal law and department rules.

Hum. Res. Code § 40.005. In accordance with section 40.005, the department promulgated section 745.8485 of title 40 of the Administrative Code to make child care facility license investigations confidential. Section 745.8485 provides in part:

(c) The following information relating to a completed investigation of child abuse or neglect is confidential and not available to the general public, except as provided under this chapter and applicable federal or state law:

- (1) The description of the allegation of child abuse or neglect;
- (2) The identity of the person making the allegation; and
- (3) The files, reports, records, communications, audiotapes, videotapes, and working papers used or developed during an investigation.

40 T.A.C. § 745.8485(c). You represent to this office that submitted information is related to an investigation of alleged child abuse or neglect at a residential child care facility, so as to be confidential under section 745.8485(c)(3). You also state that the submitted information is not subject to disclosure under provisions of chapter 745 of title 40 of the Texas Administrative Code that govern information that must be maintained in the department's monitoring files. *See id.* §§ 745.8481 (information in monitoring file is for most part available to general public), 745.8487 (department may release to public only those portions of abuse or neglect investigation record that must be filed in monitoring file), 745.8489 (except for certain specified information, department will maintain all records of abuse or neglect investigation separate from monitoring file). Based on your representations and our review, we find that the submitted information falls within the scope of section 745.8485(c). In addition, we note that section 745.8491 of title 40 enumerates parties that may access confidential information pertaining to licensed facilities. *See id.* § 745.8491. In this instance, you state, and we agree, that the requestor is not one of the enumerated persons eligible to receive copies of the requested records under section 745.8491 of title 40. We therefore conclude that the department must withhold the

submitted information under section 552.101 of the Government Code in conjunction with section 745.8485 of title 40 of the Texas Administrative Code.¹

You also ask that this office issue a previous determination that would permit the department to withhold information developed in investigations of alleged or suspected child abuse or neglect at a licensed facility as described in chapter 42 of the Human Resources Code, except for release to statutorily authorized persons. We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
