Ms. Yvette Aguilar  
Assistant City Attorney

OR2010-04645

Dear Ms. Aguilar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 374873.

The Corpus Christi Police Department (the "department") received a request for incident report number 0910190160. You claim the submitted incident report is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 58.007 of the Family Code, which makes confidential juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997. The relevant language of section 58.007 reads:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are

separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). For purposes of section 58.007, "child" means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). The submitted incident report involves a twelve year old individual accused of making terroristic threats. Thus, we find this report involves juvenile delinquent conduct. *See id.* § 51.03(a) (defining juvenile "delinquent conduct" for the purposes of section 58.007). It does not appear any of the exceptions in section 58.007 of the Family Code apply. Therefore, we find the submitted incident report is confidential pursuant to section 58.007(c) of the Family Code, and must be withheld under section 552.101 of the Government Code. As our ruling is dispositive, we need not address your remaining argument against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
