Ms. Evelyn W. Njuguna
Assistant City Attorney
City of Houston
P.O. Box 368
Houston, Texas 77001-0368

OR2010-05060

Dear Ms. Njuguna:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 380943.

The Houston Fire Department (the "department") received a request for information related to complaint number 20090711. You claim that the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. You state the City of Houston is a civil service city under chapter 143 of the Local Government Code. Section 143.1214 of the Local Government Code provides in relevant part:

(b) The department shall maintain an investigatory file that relates to a disciplinary action against a fire fighter or police officer that was overturned on appeal, or any document in the possession of the department that relates to a charge of misconduct against a fire fighter or police officer, regardless of whether the charge is sustained, only in a file created by the department for the department's use. The department may only release information in those investigatory files or documents relating to a charge of misconduct:

- (1) to another law enforcement agency or fire department;
- (2) to the office of a district or United States attorney; or
- (3) in accordance with Subsection (c).

(c) The department head or the department head's designee may forward a document that relates to disciplinary action against a fire fighter or police officer to the director or the director's designee for inclusion in the fire fighter's or police officer's personnel file maintained under Sections 143.089(a)-(f) only if:

- (1) disciplinary action was actually taken against the fire fighter or police officer;
- (2) the document shows the disciplinary action taken; and
- (3) the document includes at least a brief summary of the facts on which the disciplinary action was based.

Local Gov't Code § 143.1214(b)-(c). You state Exhibit 2 consists of records of an internal investigation of alleged misconduct on the part of fire fighters. The submitted documents indicate the allegation was not sustained and no disciplinary action was taken. Thus, you state Exhibit 2 is maintained in the department's investigatory files and is not part of the fire fighter's civil service personnel file. *See id.* § 143.1214(c); *see also* Local Gov't Code § 143.089(a)-(g). Further, you state the information does not meet the requirements of section 143.1214(c) for inclusion in the fire fighters' civil service personnel files. *See id.* § 143.1214(c); *see also id.* § 143.089(a)-(g). You state the requestor is not a representative of another law enforcement agency, a fire department, or the office of a district or United States attorney. *See id.* § 143.1214(b)(1)-(2). Based on your representations and our review, we agree the department must withhold Exhibit 2 under section 552.101 of the Government Code in conjunction with section 143.1214 of the Local Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
