

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

April 12, 2010

Mr. Ronald J. Bounds  
Assistant City Attorney  
City of Corpus Christi  
P.O. Box 9277  
Corpus Christi, Texas 78469-9277

OR2010-05108

Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 375670.

The City of Corpus Christi (the "city") received a request for all disciplinary documents and drug and/or alcohol result forms for three named individuals, as well as specified disciplinary documents for three other named individuals. You state the city is releasing some of the requested information. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information that other statutes make confidential. Section 552.101 encompasses the Medical Practice Act (the "MPA"), subtitle B of title 3 of the Occupations Code. *See* Occ. Code § 151.001. Section 159.002 of the MPA provides, in part:

- (a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.
- (b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.
- (c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in

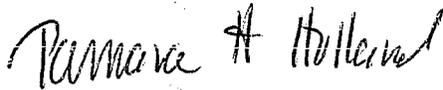

Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

*Id.* § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004; Open Records Decision No. 598 (1991). This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). We agree that the results of drug screening conducted by order of a physician, which we have marked, constitute medical records subject to the MPA. *See* ORD 598. The city may only release the medical records we have marked in accordance with the MPA. However, you have failed to demonstrate how the remaining records you have submitted were either created by or under the supervision of a physician or contain the identity, diagnosis, evaluation, or treatment of a patient by a physician. Thus, these records do not constitute medical records for purposes of the MPA, and they may not be withheld on this basis. As you raise no further exceptions to disclosure, the remaining submitted information must be released.<sup>1</sup>
