

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

April 15, 2010

Ms. Luz E. Sandoval-Walker
Assistant City Attorney
City of El Paso
2 Civic Center Plaza, 9th Floor
El Paso, Texas 79901

OR2010-05391

Dear Ms. Sandoval-Walker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 381428.

The El Paso Police Department (the "department") received a request for information, including photographs, related to case number 10-066159. You state that some responsive information has been released to the requestor. You claim that the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

We note that the submitted information includes a statutory warning and a notice of suspension. Because copies of these documents, which we have marked, have been provided to the arrestee, we find that their release will not interfere with the detection, investigation, or prosecution of crime. *See Gov't Code § 552.108(a)(1)*. Therefore, the department may not withhold the statutory warning or notice of suspension under section 552.108(a)(1).

You state, and provide a letter from the District Attorney for the Thirty-fourth Judicial District also stating, that the remaining information relates to an open and pending criminal case. Based upon these representations and our review, we conclude that the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Thus, section 552.108(a)(1) is applicable to the remaining information.

However, basic information about an arrested person, an arrest, or a crime is not excepted from disclosure under section 552.108. Gov't Code § 552.108(c). Such basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-8; *see also* Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of the statutory warning, notice of suspension, and basic information, the department may withhold the submitted information under section 552.108(a)(1).

We note that the statutory warning and notice of suspension contain information that is subject to section 552.130 of the Government Code.¹ Section 552.130 provides that information relating to a motor vehicle operator's license or driver's license issued by a Texas agency is excepted from public release. Gov't Code § 552.130(a)(1). Therefore, the department must withhold the Texas driver's license number we have marked in the statutory warning and notice of suspension under section 552.130 of the Government Code.²

In summary, with the exception of the statutory warning, notice of suspension, and basic information, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code. The department must withhold the Texas driver's license number we have marked in the statutory warning and notice of suspension under section 552.130 of the Government Code. The remaining information must be released.³

¹The Office of the Attorney General will raise a mandatory exception like section 552.130 on behalf of a governmental body. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

²We note this office recently issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including Texas driver's license numbers under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.

³We note the basic information includes the arrestee's social security number. Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act. Gov't Code § 552.147.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Cindy Nettles
