

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

May 7, 2010

Mr. Ronald J. Bounds  
Assistant City Attorney  
City of Corpus Christi  
P.O. Box 9277  
Corpus Christi, Texas 78469-9277

OR2010-06611

Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 378860.

The City of Corpus Christi (the "city") received a request for all medical and billing records pertaining to the requestor's client regarding a specified incident, as well as records regarding crimes committed at a specified address. You state the city has provided some of the requested information to the requestor, with certain Texas motor vehicle record information withheld under section 552.130 of the Government Code pursuant to the previous determination issued to all governmental bodies in Open Records Decision No. 684 (2009).<sup>1</sup> You claim the submitted police incident report is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 58.007 of the Family Code, which makes confidential juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997. The relevant language of section 58.007 reads:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

---

<sup>1</sup>The previous determination issued in ORD 684 authorizes all governmental bodies to withhold ten categories of information, including Texas driver's license numbers under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). For purposes of section 58.007, "child" means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). The submitted incident report involves an eleven year old individual and a fourteen year old individual, among others, suspected of committing aggravated assault with a deadly weapon. Thus, we find this report involves juvenile delinquent conduct. *See id.* § 51.03(a) (defining juvenile "delinquent conduct" for the purposes of section 58.007). It does not appear any of the exceptions in section 58.007 of the Family Code apply. Therefore, we find the submitted incident report is confidential pursuant to section 58.007(c) of the Family Code, and must be withheld under section 552.101 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Leah B. Wingerson  
Assistant Attorney General
