Dear Ms. Lutton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 379305.

The Dallas County Sheriff's Department (the "sheriff") received a request for the video recording and audio recording pertaining to a specified citation. You claim that the requested information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated

on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show that the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, no pet.); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

You state the “traffic stop which is the subject of the [submitted information] is currently in litigation in Sunnyvale Municipal Court.” However, you do not indicate how the sheriff is a party to this pending litigation, or otherwise demonstrate the sheriff has a prosecution interest in the pending litigation. In such a situation, we require an affirmative representation from the governmental body with the litigation interest that the governmental body wants the information at issue withheld from disclosure under section 552.103. However, you have not provided this office with an affirmative representation from any governmental body with a litigation interest that the governmental body wishes the information at issue to be withheld pursuant to section 552.103. Accordingly, the sheriff may not withhold the submitted information under section 552.103 of the Government Code.

We note that the submitted video recording contains information subject to section 552.130 of the Government Code.¹ Section 552.130 excepts from disclosure “information [that] relates to . . . a motor vehicle operator’s or driver’s license or permit issued by an agency of this state [or] a motor vehicle title or registration issued by an agency of this state.” Gov’t Code § 552.130(a)(1), (2). Section 552.130 protects privacy interests. Thus, the requestor has a special right of access to her own license plate number pursuant to section 552.023 of the Government Code.² Accordingly, the sheriff must withhold the portions of the submitted video recording revealing Texas license plate numbers that do not pertain to the requestor

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

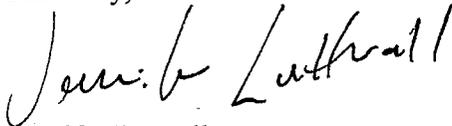

²Section 552.023(a) provides that “[a] person or a person’s authorized representative has a special right of access, beyond the right of the general public, to information held by a governmental body that relates to the person and that is protected from public disclosure by laws intended to protect that person’s privacy interests.” Gov’t Code § 552.023(a).

pursuant to section 552.130 of the Government Code.³ The remaining portions of the video recording must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

³We note this office recently issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including a portion of a video recording depicting a Texas license plate number under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.
