

ATTORNEY GENERAL OF TEXAS

May 17, 2010

Mr. Robert E. Reyna
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283-3966

OR2010-07009

Dear Mr. Reyna:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 384865 (COSA File No. 2010-5547).

The San Antonio Police Department (the "department") received a request for information relating to a specified traffic accident. You claim that the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

Section 552.108 of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You indicate that the submitted information is related to a pending criminal investigation. Based on your representations, we conclude that section 552.108(a)(1) is generally applicable in this instance. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

We note, however, that the submitted information includes copies of a statutory warning and a notice of suspension. Because copies of those documents are provided to the person who is the subject of the warning and the notice, we find that the release of the statutory warning and the notice of suspension will not interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). Therefore, the department may not withhold the statutory warning and the notice of suspension, which we have marked, under section 552.108(a)(1).

We also note that section 552.108 does not except from disclosure "basic information about an arrested person, an arrest, or a crime." *Id.* § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88. The department must release basic offense and arrest information, including a detailed description of the offense, even if the information does not literally appear on the front page of an offense or arrest report. *See* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Except for the statutory warning and the notice of suspension, the department may withhold the remaining information under section 552.108(a)(1).

Lastly, we note that the statutory warning and the notice of suspension contain a Texas driver's license number. Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator's or driver's license or permit issued by an agency of this state.¹ *See* Gov't Code § 552.130(a)(1). The department must withhold the Texas driver's license number we have marked under section 552.130.²

In summary: (1) except for the statutory warning, the notice of the suspension, and the basic information that must be released under section 552.108(c), the department may withhold the submitted information under section 552.108(a)(1) of the Government Code; and (2) except for the Texas driver's license number, which must be withheld under section 552.130 of the Government Code, the statutory warning and the notice of suspension must be released.

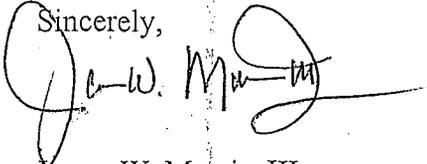

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

¹This office will raise section 552.130 on behalf of a governmental body, as this exception is mandatory and may not be waived. *See* Gov't Code §§ 552.007, .352; Open Records Decision No. 674 at 3 n.4 (2001) (mandatory exceptions).

²We note that this office recently issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including a Texas driver's license number under section 552.130, without the necessity of requesting an attorney general decision.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,
