City of Fort Worth

Fort Worth, Texas 76102

OR2010-07018

Dear Ms. Sangsvang:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 379453 (City of Fort Worth PIR No. 2539-10).

The City of Fort Worth (the "city") received a request for several categories of information pertaining to a specified automobile accident. You state you will release a majority of the requested information to the requestor. You state you have redacted certain Texas motor vehicle record information under section 552.130 of the Government Code pursuant to previous determinations issued to the city in Open Records Letter Nos. 2006-14726 (2006) and 2007-00198 (2007). *See* Gov't Code § 552.301(a); Open Records Decision No. 673 at 7-8 (2001). You also state you have redacted social security numbers pursuant to section 552.147 of the Government Code.<sup>1</sup> You claim that portions of the remaining information are excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."

---

<sup>1</sup>Section 552.147(b) of the Government Code authorizes a government body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act. *See* Gov't Code § 552.147.

Gov't Code § 552.101. This section encompasses the Medical Practice Act (the "MPA"), subtitle B of title 3 of the Occupations Code. Section 159.002 of the MPA provides, in part:

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(b), (c). This office has concluded that the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). We also have concluded that when a file is created as the result of a hospital stay, all of the documents in the file that relate to diagnosis and treatment constitute either physician-patient communications or records of the identity, diagnosis, evaluation, or treatment of a patient by a physician that are created or maintained by a physician. *See* Open Records Decision No. 546 (1990). Medical records must be released upon the patient's signed, written consent, provided that the consent specifies (1) the information to be covered by the release, (2) reasons or purposes for the release, and (3) the person to whom the information is to be released. *See* Occ. Code §§ 159.004, .005. Any subsequent release of medical records must be consistent with the purposes for which the governmental body obtained the records. *See id.* § 159.002(c); Open Records Decision No. 565 at 7 (1990). We agree the submitted information includes medical records that may only be disclosed in accordance with the MPA. Thus, the city must withhold the information we have marked under section 159.002 of the Occupations Code, unless it receives the required written consent for release of the information under sections 159.004 and 159.005 of the Occupations Code. However, none of the remaining information constitutes a record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that was created or is maintained by a physician. Accordingly, the city may not withhold any of the remaining information under section 552.101 in conjunction with the MPA.

Section 552.130 of the Government Code excepts from disclosure "information [that] relates to . . . a motor vehicle operator's or driver's license or permit issued by an agency of this state [or] a motor vehicle title or registration issued by an agency of this state[.]" Gov't Code § 552.130. Accordingly, the city must withhold the Texas motor vehicle record information you have marked under section 552.130 of the Government Code.

In summary, the city must withhold the information we have marked under section 159.002 of the Occupations Code, unless the city receives the required written consent for release of the information under sections 159.004 and 159.005 of the Occupations Code. The city must

withhold the Texas motor vehicle record information you have marked under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
