

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

May 17, 2010

Mr. Carey E. Smith  
General Counsel  
Texas Health and Human Services Commission  
P.O. Box 13247  
Austin, Texas 78711

OR2010-07049

Dear Mr. Smith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 379662.

The Health and Human Services Commission (the "commission") received a request for four categories of information pertaining to the selection packet for a specified job, including the interview questions and answers of the individual who was hired. You state the commission will release some of the requested information. You claim the submitted information is excepted from disclosure under section 552.122 of the Government Code. We have considered the exception you claim and reviewed the submitted information. We have also considered comments submitted by the requestor. *See* Gov't Code § 552.304 (providing that interested party may submit comments stating why information should or should not be released).

Section 552.122(b) excepts from disclosure test items developed by a licensing agency or governmental body. In Open Records Decision No. 626 (1994), this office determined that the term "test item" in section 552.122 includes "any standard means by which an individual's or group's knowledge or ability in a particular area is evaluated," but does not encompass evaluations of an employee's overall job performance or suitability. ORD 626 at 6. The question of whether specific information falls within the scope of section 552.122(b) must be determined on a case-by-case basis. *Id.* Traditionally, this office has applied section 552.122 where release of "test items" might compromise the effectiveness of future examinations. *Id.* at 4-5; *see also* Open Records Decision No. 118

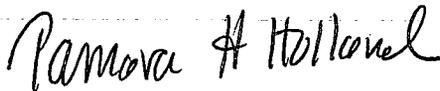

(1976). Section 552.122 also protects the answers to test questions when the answer might reveal the questions themselves. *See* Attorney General Opinion JM-640 at 3 (1987); ORD 626 at 8.

You seek to withhold the in-basket exercises and the hired individual's responses to these exercises under section 552.122 of the Government Code. You state that the exercises are designed to evaluate an individual's knowledge or ability in a particular area. You inform us that the exercises are used on a continuing basis during the commission's hiring process. You state that the release of this information would compromise the effectiveness of future examinations. Having reviewed the submitted information and your arguments, we find the in-basket exercises are "test items" for purposes of section 552.122(b) and the hired individual's responses reveal the exercises themselves. We therefore conclude that the commission may withhold the information at issue under section 552.122 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Tamara H. Holland
