You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 379724 (TEA PIR No. 12764).

The Texas Education Agency (the "agency") received a request for three categories of information pertaining to intervention teams and audits of school districts and charter schools. You state some of the requested information will be released to the requestor. You claim the submitted information is excepted from disclosure under section 552.116 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.116 of the Government Code provides as follows:

<sup>1</sup>We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You state the submitted information consists of audit working papers prepared or maintained by "[the agency's] Division of Financial Audits in conjunction with financial audits of several independent school districts." You state these types of audits are authorized under section 39.057(a)(4) of the Education Code. *See* Educ. Code § 39.057 (listing circumstances in which the commissioner shall authorize investigations). Based on your representations and our review of the information at issue, we agree that section 552.116 is applicable in this instance. We therefore conclude the agency may withhold the submitted information pursuant to section 552.116 of the Government Code.
