

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

May 19, 2010

Ms. Angela M. DeLuca
Assistant City Attorney
City of Bryan
P.O. Box 1000
Bryan, Texas 77805

OR2010-07181

Dear Ms. DeLuca:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 379908.

The City of Bryan (the "city") received a request for all memorandum, e-mails, and open records requests from city officials and employees regarding Bryan Texas Utilities ("BTU") and BTU's general manager, budget, rates, payroll, raises and bonuses. You state some information has been released to the requestor. You claim that the submitted information is excepted from disclosure under section 552.133 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.133 of the Government Code excepts from disclosure a public power utility's information related to a competitive matter. Section 552.133(b) provides:

¹We assume that the "representative sample" of information submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Information or records are excepted from the requirements of Section 552.021 if the information or records are reasonably related to a competitive matter, as defined in this section. Excepted information or records include the text of any resolution of the public power utility governing body determining which issues, activities, or matters constitute competitive matters. Information or records of a municipally owned utility that are reasonably related to a competitive matter are not subject to disclosure under this chapter, whether or not, under the Utilities Code, the municipally owned utility has adopted customer choice or serves in a multiply certificated service area. This section does not limit the right of a public power utility governing body to withhold from disclosure information deemed to be within the scope of any other exception provided for in this chapter, subject to the provisions of this chapter.

Gov't Code § 552.133(b). Section 552.133(a)(3) defines a "competitive matter" as a matter the public power utility governing body in good faith determines by vote to be related to the public power utility's competitive activity, and the release of which would give an advantage to competitors or prospective competitors. *See id.* § 552.133(a)(3). However, section 552.133(a)(3) also provides thirteen categories of information that may not be deemed competitive matters. The attorney general may conclude that section 552.133 is inapplicable to the requested information only if, based on the information provided, the attorney general determines the public power utility governing body has not acted in good faith in determining that the issue, matter, or activity is a competitive matter or that the information requested is not reasonably related to a competitive matter. *Id.* § 552.133(c).

You state the submitted information pertains to BTU, which you state is a city-owned public power utility for purposes of section 552.133. In addition, you inform us, and provide documentation showing, the Bryan City Council (the "council"), as governing body of BTU, passed a resolution by vote pursuant to section 552.133 in which the council defined the information considered to be within the scope of the term "competitive matter." You assert the submitted records come within the scope of the resolution. The information at issue is not among the thirteen categories of information section 552.133(a)(3) expressly excludes from the definition of competitive matter. Furthermore, we have no evidence the council failed to act in good faith. *See id.* Consequently, we determine the submitted information relates to competitive matters in accordance with the submitted resolution. Therefore, the city must withhold the submitted information pursuant to section 552.133 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Burnett", with a long horizontal flourish extending to the right.
